CLEANING SERVICES

## CAPABILITY STATEMENT

Professional Cleaning Solutions for Government | Commercial | Real Estate | Strata

Canberra, ACT | 2026

## COMPANY OVERVIEW

CleanRight Cleaning Services Pty Ltd is a Canberra-based professional cleaning and property services provider, delivering reliable, high-quality cleaning solutions to commercial, government, real estate, and strata clients across the Australian Capital Territory.

With over a decade of industry experience, CleanRight has built a reputation for attention to detail, operational reliability, and consistent service delivery. Our team understands the unique requirements of each sector we serve and brings a personalised approach to every engagement.

## OUR STORY

Our founder has been working in the cleaning industry since 2013, developing expertise across residential, commercial, and specialised cleaning services. From 2017, operations expanded as a sole trader, building strong relationships with property managers and commercial clients throughout Canberra.

In 2024, CleanRight was formally established in Canberra to meet growing demand for professional, compliance-focused cleaning services. What began as a small family operation with a single vehicle has grown into a capable team delivering services across the ACT.

Today, CleanRight operates with two dedicated cleaning teams, with the capacity to scale to meet clients' demands. We run a fully branded van along with an additional vehicle and provide a comprehensive range of residential, commercial, and post-construction cleaning services across Canberra and surrounding areas.

## RECOGNITION

CleanRight is proud to be the recipient of the Global Recognition Award 2026 and the 2025 Australian Enterprise Award for Best Emerging Commercial Cleaning Company – ACT, reflecting our commitment to excellence and industry leadership. We are also a Local Business Awards 2025 Finalist in the Canberra Region, recognising our strong contribution to the local business community. We are also proud to be a Champion Awards Finalist, reflecting our continued commitment to service excellence.”

## TYPICAL ENGAGEMENT EXAMPLE: ACT GOVERNMENT OFFICE CLEANING

CleanRight is structured to deliver cleaning services to government clients in a professional, low-risk manner. The following outlines a typical engagement approach for a government office or public-facing facility.

Element	Our Approach
Site Type	Single-site office or public-facing facility (low-medium risk)
Scope	Routine cleaning of offices, amenities, and common areas
Staffing	Allocated cleaning team with named site supervisor
Induction	Site-specific induction, SWMS review, chemical register familiarisation
Reporting	Supervisor sign-off on each service, monthly check-ins with contract manager
Issue Escalation	Defined point of contact with agreed response timeframes

CleanRight's approach ensures clarity, accountability, and consistent service delivery from day one.

## COMMUNITY & SUPPORT SERVICES

CleanRight provides cleaning services to community service organisations across Canberra. We bring a respectful, flexible approach – understanding the need for discretion and minimal disruption to operations.

### SERVICES FOR COMMUNITY ORGANISATIONS

We provide tailored cleaning services for a range of community and support service settings, including:

- ✓ Community service offices and administration areas
- ✓ Shared meeting and consultation spaces
- ✓ Reception and waiting areas
- ✓ Staff amenities and breakrooms
- ✓ Multi-purpose community spaces
- ✓ Training and workshop facilities

### OUR APPROACH

#### FLEXIBLE

We work around your operational hours to minimise disruption to services and the people you support.

#### RESPECTFUL

Our team understands the importance of discretion and sensitivity when working in community environments.

#### CONSISTENT

Regular cleaning schedules with familiar team members who understand your specific requirements.

#### TRANSPARENT

Clear reporting and open lines of communication to address any concerns promptly.

### COMPLIANCE & CLEARANCES

CleanRight can provide staff with appropriate clearances for community service environments, including police checks and Working with Vulnerable People (WWVP) cards where required.

## SPECIALISED & HIGH-REACH CAPABILITY

CleanRight delivers specialised cleaning services requiring technical capability and access solutions beyond standard cleaning operations.

### MULTI-STOREY WINDOW CLEANING

We provide professional window cleaning services for multi-storey buildings, ensuring facades and glass surfaces are maintained to the highest standard:

- ✓ External window cleaning at height
- ✓ Glass balustrades and panels
- ✓ Shopfront and display windows
- ✓ Skylight and atrium glass

### FACADE & ARCHITECTURAL FEATURE CLEANING

We provide professional facade & architectural feature cleaning services ensuring facades are maintained to the highest standard:

- ✓ Vertical aluminium slat cleaning
- ✓ Glass cleaning behind architectural screens
- ✓ Building facade and cladding cleaning
- ✓ Signage and external feature cleaning

### ACCESS EQUIPMENT & LICENSED OPERATORS

CleanRight utilises appropriate access equipment to safely deliver high-reach cleaning services:

- ✓ Elevated Work Platforms (EWPs)
- ✓ Scissor lifts
- ✓ Extension ladders (where appropriate)
- ✓ Licensed operators for all powered access equipment

### SAFE DELIVERY OF COMPLEX ACCESS WORKS

All high-reach and specialised works are delivered with comprehensive safety planning and controls, including:

- ✓ Site-specific Safe Work Method Statements (SWMS)
- ✓ Working-at-heights procedures and controls
- ✓ Public exclusion zones where required
- ✓ Traffic management for external works
- ✓ Pre-start checks and equipment inspections

### SPECIALIST CLEANING SERVICES

Expert solutions for complex environments, utilising industrial-grade equipment and advanced techniques to deliver precision cleaning:

- ✓ Tile and grout cleaning (machine-assisted)

- ✓ Carpet steam cleaning and extraction
- ✓ Hard floor stripping, sealing, and polishing

## BIOHAZARD CLEANING & EMERGENCY FLOOD WATER EXTRACTION

At CleanRight Cleaning Services, we provide specialised biohazard cleaning and emergency flood water extraction services across Canberra. These situations require more than standard cleaning – they demand trained professionals, proper equipment, and strict safety procedures. Our team is equipped to handle sensitive and high-risk environments with care, discretion, and efficiency.

### BIOHAZARD CLEANING

We provide professional cleaning and sanitisation for environments affected by biological contamination, including:

- ✓ Blood and bodily fluid contamination
- ✓ Trauma and accident clean-ups
- ✓ Unattended or high-risk cleaning situations
- ✓ Severe contamination requiring deep sanitisation
- ✓ Odour removal and deodorising treatments

All biohazard cleaning is carried out using specialised chemicals, PPE, and safe handling procedures to ensure the area is properly sanitised and safe for use.

**Please note:** While we significantly reduce contamination and odours, complete removal may depend on the level of penetration into surfaces and materials.

### EMERGENCY FLOOD WATER EXTRACTION

If your property has been affected by flooding, leaks, or water damage, fast action is critical. Our emergency service includes:

- ✓ High-powered water extraction using professional equipment
- ✓ Removal of excess water from carpets and flooring
- ✓ Setup of air movers and blowers to assist drying
- ✓ Basic antimicrobial and deodorising treatment
- ✓ Moisture reduction to prevent further damage

We aim to minimise damage and restore the area as quickly as possible.

**Please note:** If water has been present for an extended period, moisture may remain under the carpet or in the underlay. In some cases, further treatment by restoration specialists or carpet replacement may be required. We will always provide honest advice based on the condition on-site.
